

SQUARE WRAPPED BALE CLAMP

-
- Tubular structure, no risk of damaging the film when moving wrapped bales.
 - Wide clamp opening for big or multiple bale handling.
 - Superior component protection.
 - Multi-task: designed for wrapped square bales, can also handle standard square bales or round bales.

- Strong frame & components for intensive applications.
- Telescopic kinematics, smooth movement & strong clamping capacity.
- General use of Teflon® pads - Limited maintenance.
- Standard pressure limiter.
