

Technical sheet :

# MANURE FORK WITH GRAPPLE (COMPACT MACHINES)

---

## Customer benefits

- Attachment designed for agricultural applications.

## Technical characteristics

- Complete grapple opening for an efficient work.
- Heavy duty teeth & tines.

| Capacities            |     | FMG 920 / 240 (a)                                                                 | FMG 920 / 240 (b)                                                                 | FMG 1080 / 290                                                                    | FMG 1100 / 320                                                                    | FMG 1200 / 320 (a)                                                                | FMG 1200 / 320 (b)                                                                  | FMG 1200 / 430                                                                      | FMG 1400 / 380                                                                      | FMG 1500 / 380                                                                      | FMG 1500 / 540                                                                      |
