Technical sheet:

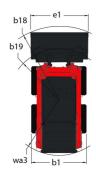

## **1640R**

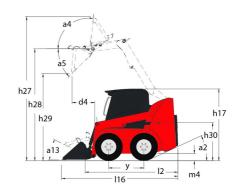

|   | 1640R Created | on May 18, 2024 at 11:23:19 PM UT       |
|---|---------------|---|
| Capacities  |               | Metric                                  |
| Rated Operating Capacity  |               | 748 kg                                  |
| Unladen weight  |               | 2792 kg                                 |
| Tipping capacity  |               | 1496 kg                                 |
| Weight and dimensions   |               |   |
| Overall Operating Height - Fully Raised   | h27           | 3876 mm                                 |
| Height to Hinge Pin – Fully Raised  | h28           | 3023 mm                                 |
| Overall Height to top of ROPS   | h17           | 1948 mm                                 |
| Dump angle at full height   | a5            | 38 °                                    |
| Dump height State of the state | h29           | 2379 mm                                 |
| Overall length with bucket  | l16           | 3101 mm                                 |
| Dump reach - Full height  | r6            | 579 mm                                  |
| Rollback at ground  | a13           | 28 °                                    |
| Rollback Angle at Full Height   | a4            | 99 °                                    |
| Seat to ground height   | h30           | 930 mm                                  |
| Wheelbase   | у             | 988 mm                                  |
| Overall width less bucket   | b1            | 1582 mm                                 |
| Bucket Width  | e1            | 1562 mm                                 |
| Ground clearance  | m4            | 160 mm                                  |
| Overall length - Less Bucket  | 12            | 2390 mm                                 |
| Departure angle   | a2            | 21 °                                    |
| Clearance Radius - Front with Bucket  | b18           | 1869 mm                                 |
| Clearance Circle - Front without Bucket   | b19           | 1130 mm                                 |
| Clearance Circle - Rear   | wa1           | 1466 mm                                 |
| Performances  | Wa I          | 1400 111111                             |
| Travel speed (unladen)  |               | 12.60 km/h                              |
| Wheels  |               |   |
| Standard tires  |               | 10X 16.5 - 10 PR HD                     |
| Engine  |               | 100000000000000000000000000000000000000 |
| Engine brand  |               | Yanmar                                  |
| Engine model  |               | 4TNV98-ZNMS3R1                          |
| Engine norm   |               | iT4                                     |
| Gross Power   |               | 52.10 kW                                |
| Net Power   |               | 51.20 kW                                |
| Max. torque / Engine rotation   |               | 241 Nm / 2500 rpm                       |
| Power source  |               | Diesel                                  |
| Number of cylinders   |               | 4                                       |
| Battery voltage   |               | 12 V                                    |
| Accessory plug  |               | 12 V                                    |
| Alternator - Ampere   |               | 100 A                                   |
| Starter   |               | 3 kW                                    |
| Hydraulics  |               |   |
| Standard flow - Auxiliary hydraulics  |               | 71.40 l/min                             |
| Auxiliary Hydraulic Pressure  |               | 207 bar                                 |
| Tank capacities   |               |   |
| Fuel tank   |               | 62.50 l                                 |
|   |               | 41.60 I                                 |
| Hydraulic oil tank capacity   |               |   |
| Hydraulic oil tank capacity Displacement  |               |   |
| Hydraulic oil tank capacity Displacement LH Chain case  |               | 3319 mm³<br>8.50 l                      |

## 1640R - Dimensional drawing
