## MT 735 75D ST5

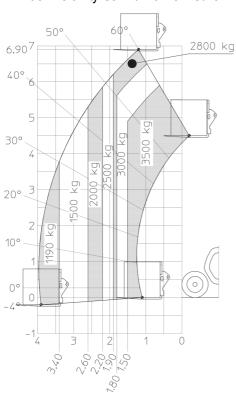

| Capacities  | Metric                             |
|---|------------------------------------|
|   | 3500 kg                            |
| ax. capacity<br>ax. lifting height                                    | 6.90 m                             |
| ax. in this neight  | 4 m                                |
| eakout force with bucket  | 6850 daN                           |
| eight and dimensions  |                                    |
| erall length to carriage  | l11 4.70 m                         |
| ngth to face of forks   | l2 4.78 m                          |
|   | 12 4.76 m                          |
| erall length (with forks)<br>erall width                              | b1 2.27 m                          |
|   |                                    |
| erall height  |                                    |
| neelbase  | y 2.80 m                           |
| ound clearance  | m4 0.42 m                          |
| erall cab width   | b4 0.95 m                          |
| t-up angle  | a4 13 °                            |
| t-down angle  | a5 114 °                           |
| ternal turning radius   | Wa3 3.78 m                         |
| ternal turning radius (over tyres)                                    | Wa1 3.78 m                         |
| laden weight (with forks)   | 6930 kg                            |
| laden weight  | 6610 kg                            |
| verall weight   | 6930 kg                            |
| res type  | Pneumatic                          |
| andard tires  | ALLIANCE 400/80-24 162A8 A325      |
| andard tires  | Alliance 400/80 - 24 -162A8        |
| rks length / width / section  | l / e / s 1200 mm x 100 mm / 50 mm |
| erformances   |                                    |
| fting   | 5.90 s                             |
| owering   | 4.20 s                             |
| tension   | 12.30 s                            |
| traction  | 4.70 s                             |
| bwo   | 3.50 s                             |
| ump   | 3.60 s                             |
| ngine   |                                    |
| ngine brand   | Deutz                              |
| ngine norm  | Stage V / Tier 4 Final             |
| ngine model   | TCD 3.6 L                          |
| umber of cylinders / Capacity of cylinders                            | 4 - 2924 cm³                       |
| C. Engine power rating - Power  | 75 Hp / 55.40 kW                   |
| ax. torque / Engine rotation  | 375 Nm @ 1400 rpm                  |
| rawbar pull (Laden)   | 7220 daN                           |
| /O validated (according to EN 15940 standard)                         | Yes                                |
| ectric circuit  |                                    |
| 2V Battery capacity   | 110 Ah                             |
| ansmission  |                                    |
| ansmission type   | Torque converter                   |
| umber of gears (forward / reverse)                                    | 4/4                                |
| ax. travel speed  | 24.70 km/h                         |
| arking brake  | Automatic parking brake            |
| ervice brake  | Hydraulic servo brake              |
| ydraulics   |                                    |
| ydraulic pump type  | Axial piston                       |
| ydraulic Pressure   | 260 bar                            |
| ink capacities  |                                    |
| igine oil   | 8.50                               |
| draulic oil   | 149                                |
|   |                                    |
| el tank   | 137                                |
| vise and vibration  |                                    |
| bise at driving position (LpA)  | 77 dB                              |
|   | 104 dB                             |
|   | - 0 E0 m/s <sup>2</sup>            |
| bration on hands/arms   | < 2.50 m/s <sup>2</sup>            |
| oise to environment (LwA)<br>bration on hands/arms<br>liscellaneous   |                                    |
| bration on hands/arms<br>iscellaneous<br>eering wheels (front / rear) | 2/2                                |
| bration on hands/arms   |                                    |
