Technical sheet :

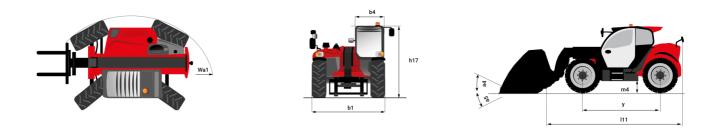

## MT 1135 75 D

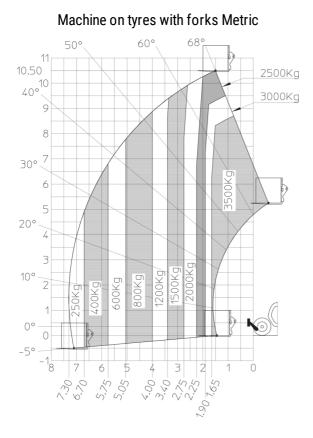

| Capacities                                  | Metric                                |
|---|---------------------------------------|
| fax. capacity                               | 3500 kg                               |
| Aax. lifting height                         | 10.90 m                               |
| fax. outreach                               | 7.20 m                                |
| reakout force with bucket                   | 6850 daN                              |
| Veight and dimensions                       |                                       |
| Overall length to carriage                  | l11 5.14 m                            |
| ength to face of forks                      | l2 5.14 m                             |
| Dverall length (with forks)                 | l1 6.34 m                             |
| )verall width                               | b1 2.26 m                             |
| Dverall height                              | h17 2.48 m                            |
| Wheelbase                                   |                                       |
|   |                                       |
| Ground clearance                            | m4 0.42 m                             |
| Dverall cab width                           | b4 0.95 m                             |
| Filt-up angle                               | a4 13 °                               |
| ïlt-down angle                              | a5 114 °                              |
| External turning radius                     | Wa3 3.77 m                            |
| External turning radius (over tyres)        | Wa1 3.77 m                            |
| Jnladen weight (with forks)                 | 8360 kg                               |
| Overall weight                              | 8360 kg                               |
| Tires type                                  | Pneumatic                             |
| Standard tires                              | Alliance 400/80 - 24 - 162A8          |
| Forks length / width / section              | l / e / s 1200 mm x 100 mm / 50 mm    |
| Performances                                |                                       |
| Lifting                                     | 7.60 s                                |
| Lowering                                    | 5.40 s                                |
| Extension                                   | 12.30 s                               |
| Retraction                                  | 8.20 s                                |
|   | 3.10 s                                |
| Crowd                                       |                                       |
| Dump  | 3.60 s                                |
| Engine                                      |                                       |
| Engine brand                                | Deutz                                 |
| Engine norm                                 | Stage V                               |
| Engine model                                | TCD 2.9L                              |
| Number of cylinders / Capacity of cylinders | 4 - 2924 cm <sup>3</sup>              |
| .C. Engine power rating - Power             | 75 Hp / 55.40 kW                      |
| Max. torque / Engine rotation               | 375 Nm @ 1400 mm                      |
| Drawbar pull (Laden)                        | 6000 daN                              |
| Transmission                                |                                       |
| Fransmission type                           | Torque converter                      |
| Number of gears (forward / reverse)         | 2/2                                   |
| Max. travel speed                           | 24.90 km/h                            |
| Parking brake                               | Automatic parking brake               |
| Service brake                               | Hydraulic servo brake                 |
| lydraulics                                  |                                       |
| Hydraulic pump type                         | Axial piston                          |
|   |                                       |
| Hydraulic Pressure                          | 270 bar                               |
| Fank capacities                             |                                       |
| Engine oil                                  | 8.501                                 |
| łydraulic oil                               | 149                                   |
| uel tank                                    | 137                                   |
| voise and vibration                         |                                       |
| loise at driving position (LpA)             | 77 dB                                 |
| Noise to environment (LwA)                  | 104 dB                                |
| Vibration on hands/arms                     | < 2.50 m/s²                           |
| Miscellaneous                               |                                       |
| Steering wheels (front / rear)              | 2/2                                   |
| Drive wheels (front / rear)                 | 2/2                                   |
|   | Standard EN 15000 / ROPS - FOPS level |
| Safety / Safety cab homologation            | Statualu EN 15000 / RUPS - FUPS level |
