Technical sheet :

|  | <b>мт-х 1135</b> Created on Ju |
|--|--------------------------------|
| Capacities                                   |                                |
| Max. capacity                                |                                |
| Max. lifting height                          |                                |
| Maximum outreach                             |                                |
| Breakout force with bucket                   |                                |
| Weight and dimensions                        |                                |
| Overall length to carriage                   | 111                            |
| Overall length (with forks)                  | 1                              |
| Overall width                                | b1                             |
| Overall height                               | h17                            |
| Wheelbase                                    | у                              |
| Ground clearance                             | m4                             |
| Overall cab width                            | b4                             |
| Tilt-up angle                                | a4                             |
| Tilt-down angle                              | a5                             |
| External turning radius (over tyres)         | Wa1                            |
| Unladen weight (with forks)                  |                                |
| Overall weight                               |                                |
| Tires type                                   |                                |
| Standard tires                               | Apol                           |
| Forks length / width / section               | l / e / s 1200                 |
| Performances                                 |                                |
| Lifting                                      |                                |
| Lowering                                     |                                |
| Extension                                    |                                |
| Retraction                                   |                                |
| Crowd  |                                |
| Dump   |                                |
| Engine                                       |                                |
| Engine brand                                 |                                |
| Engine norm                                  |                                |
| Engine model                                 |                                |
| Number of cylinders / Capacity of cylinders  |                                |
| I.C. Engine power rating - Power             |                                |
| Max. torque / Engine rotation                | 3                              |
| Drawbar pull                                 |                                |
| Drawbar pull (Laden)                         |                                |
| Electric circuit                             |                                |
| 12V Battery capacity                         |                                |
| Transmission                                 |                                |
| Transmission type                            |                                |
| Number of gears (forward / reverse)          |                                |
| Max. travel speed                            |                                |
| Parking brake                                | Aut                            |
| Service brake                                | Hy                             |
| Hydraulics                                   |                                |
| Hydraulic pump type                          |                                |
| Hydraulic Pressure                           |                                |
| Tank capacities                              |                                |
| Engine oil                                   |                                |
| Hydraulic oil                                |                                |
| Fuel tank                                    |                                |
| Noise and vibration                          |                                |
| Noise at driving position (LpA)              |                                |
| Noise to environment (LwA)                   |                                |
| Vibration on hands/arms                      |                                |
|  |                                |
| Miscellaneous                                |                                |
| Miscellaneous Steering wheels (front / rear) |                                |
| Steering wheels (front / rear)               |                                |
|  | Standard EN 15                 |
