## EMA II 20 HD-2

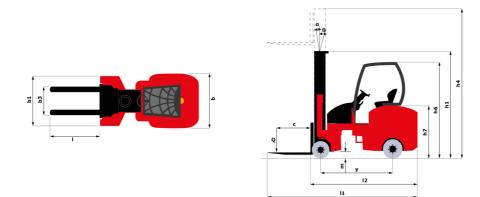

|              |   | EMA II 20 HD-2 GIE |
|--------------|---|--------------------|
|              | Technical characteristics                                       |                    |
| 1.1          | Manufacturer  |                    |
| 1.2          | Model Name  |                    |
| 1.3          | Power source  |                    |
| 1.4          | Operator type   |                    |
| 1.5          | Max. capacity   | Q                  |
| 1.6          | Load center of gravity  | c                  |
| 1.8          | Load distance, centre of drive axle to fork                     | x                  |
| 1.9          | Wheelbase   | у                  |
|              | Weight  |                    |
| 2.1          | Service weight  |                    |
| 2.2          | Weight on front axle (laden) / rear axle (laden)                |                    |
| 2.3          | Weight on front axle (Unladen) / rear axle (Unladen)            |                    |
| 2.0          | Wheels  |                    |
| 3.1          | Tires type  |                    |
| 3.1          | Dimensions of front wheels                                      |                    |
| 3.3          | Dimensions of rear wheels                                       |                    |
| 3.5          | Number of front wheels / rear wheels                            |                    |
| 3.5.2        | Number of drive wheels  |                    |
| 3.5.2        |   | b10                |
| 3.0          | Front wheel gauge   | b10                |
| 3.7          | Rear wheel gauge Dimensions                                     | DII                |
| 4.7          |   | hć                 |
| 4.7          | Height of overhead guard (cabin)                                | h6<br>h7           |
|              | Seat height/stand height  |                    |
| 4.19<br>4.20 | Overall length  | 11                 |
|              | Length to face of forks   |                    |
| 4.21         | Overall width   | b1                 |
| 4.22         | Forks section / width / length                                  | s / e / l          |
| 4.23         | Fork carriage ISO 2328 (class/form) A/B                         |                    |
| 4.24         | Fork carriage width   | b3                 |
| 4.31         | Ground clearance below mast                                     | m1                 |
| 4.32         | Ground clearance at centre of wheelbase                         | m2                 |
| 4.33         | Aisle Width for pallets 1000 x 1200 crossways                   | Ast                |
| 4.34         | Aisle width for 800 x 1200 pallet lengthways                    | Ast                |
|              | Performances  |                    |
| 5.1          | Travel speed (laden / unladen)                                  |                    |
| 5.2          | Lifting speed (laden / unladen)                                 |                    |
| 5.3          | Lowering speed (laden / unladen)                                |                    |
| 5.7          | Gradeability (laden / unladen)                                  |                    |
| 5.10         | Service brake   |                    |
|              | Engine  |                    |
| 6.1          | Drive motor rating S2 60 min                                    |                    |
| 6.2          | Lift motor rating at \$3 15%                                    |                    |
| 6.3          | Battery according to DIN 43531/35/36 A, B, C                    |                    |
| 6.4          | Battery voltage / capacity                                      |                    |
| 6.5          | Battery weight (+/- 5%)   |                    |
|              | Miscellaneous   |                    |
| 8.1          | Type of drive control   |                    |
| 8.2          | Working hydraulic pressure for attachments                      |                    |
| 8.3          | Oil flow rate for attachments                                   |                    |
| 8.4          | Measured/guaranteed mean noise level at the ear of the operator |                    |
| 8.4          | Sound level at the driver's ear according to DIN 12 053         |                    |
