Technical sheet :

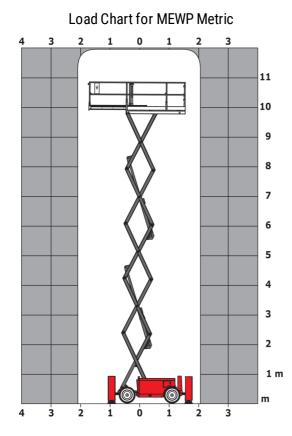

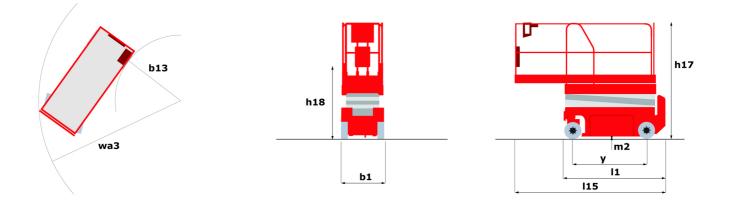

|  | 1205C Cre | ated on April 25, 2024 at 6:58:17 AM L   |
|--|-----------|--|
| apacities  |           | Metric   |
| /orking height                                   | h21       | 11.75 m  |
| atform height                                    | h7        | 9.96 m   |
| atform capacity                                  | Q         | 454 kg   |
| ax. capacity on the extension deck               |           | 136 kg   |
| umber of people (indoor / outdoor)               |           | 4/2  |
| eight and dimensions                             |           |  |
| atform weight*                                   |           | 3857 kg  |
| atform dimensions (length x width)               | lp / ep   | 2.79 m x 1.60 m  |
| atform dimensions with extension (length)        |           | 4.31 m   |
| rerall length                                    | l1        | 3.76 m   |
| reall width                                      | b1        | 1.75 m   |
| rerall height                                    | h17       | 2.59 m   |
| verall height (stowed) **                        | h18       | 1.92 m   |
| rerall length with platform extension            | l15       | 4.81 m   |
| ternal turning radius                            | Wa3       | 4.60 m   |
| ound clearance at centre of wheelbase            | m2        | 0.24 m   |
| neelbase   | y         | 2.29 m   |
| rformances                                       |           |  |
| ive speed - stowed                               |           | 5.60 km/h  |
| ive speed - raised                               |           | 0.40 km/h  |
| ise speed (laden) / Lower speed (laden)          |           | 42 s / 28 s  |
| adeability                                       |           | 30 %   |
| ax outrigger leveling front uphill / back uphill |           | 5.30 ° / 4.20 °  |
| ax outrigger leveling side to side               |           | 11.70 °  |
| rmissible leveling (front / side)                |           | 3°/2°  |
| neels  |           |  |
| res type   |           | Foam-filled  |
| ive wheels (front / rear)                        |           | 2 / 2  |
| eering wheels (front / rear)                     |           | 2 / 0  |
| aking wheels (front / rear)                      |           | 2 / 2  |
| gine/Battery                                     |           |  |
| gine brand / model                               |           | Kubota - D1105   |
| gine norm  |           | Tier 4 final   |
| C. Engine power rating / Power                   |           | 25 Hp / 18.50 kW   |
| scellaneous                                      |           |  |
| ound Pressure                                    |           | 5.44 dan/cm2   |
| draulic tank capacity                            |           | 68.10 l  |
| el tank  |           | 37.90 l  |
| und pressure level (platform work station)       |           | 79 dB  |
| bration on hands/arms                            |           | < 2.50 m/s²  |
| andards compliance                               |           |  |
| his machine is in compliance with:               |           | European directives: 2006/42/EC- Machinery<br>(revised EN280:2013) - 2004/108/EC (EMC) -<br>2006/95/EC (Low voltage) |

\*\* With folded guardrail

## 120 SC - Load chart

## 120 SC - Dimensional drawing

## Equipment

| Standard  |
|---|
| 230V Predisposition   |
| 4 wheel drive   |
| Anti-slip platform surface  |
| Audible alarm and illuminated indicator lamp (leveling, overload, lowering) |
| CAN bus technology  |
| Emergency stop button in platform and on frame                              |
| Fixed anti-shearing protection  |
| Fold-away guard rails to allow movement through the door                    |
| Hom in the platform   |
| Hour meter  |
| Integrated diagnostic assistance  |
| Lowering alarm  |
| Oscillating front axle  |
| Platform access gate  |
| Proportional controls   |
| Removable control unit  |
| Stabilizers with automatic leveling   |
| Travel possible at maximum height   |

## Optional

|  | 2 flashing lights on frame                              |
|--|---|
|  | Biodegradable oil                                       |
|  | Initial verification report before putting into service |
|  | Lights  |
|  | Non-marking wheels (diameter -58 mm)                    |
|  | Safety hamess   |
|  | Working headlight in platform                           |
|  |   |
