|       | Technical characteristics                               |                       | Metric                               |
| 1.1   | Manufacturer  |                       | Manitou                              |
| 1.2   | Model Name  |                       | EB 1000 S16                          |
| 1.3   | Power source  |                       | Electrical                           |
| 1.4   | Operator type   |                       | Pedestrian                           |
| 1.5   | Max. capacity   | Q                     | 1000 kg                              |
| 1.6   | Load center of gravity                                  | С                     | 250 mm                               |
|       | Weight  |                       |                                      |
| 2.1   | Overall weight without tools                            |                       | 260 kg                               |
|       | Wheels  |                       |                                      |
| 3.1   | Tires type  |                       | Nylon                                |
| 3.2   | Dimensions of front wheels                              |                       | 4x (75x65)                           |
| 3.3   | Dimensions of rear wheels                               |                       | 2x (150x50)                          |
| 3.5.1 | Number of rear wheels                                   |                       | 2                                    |
|       | Dimensions  |                       |                                      |
| 4.2   | Mast lowered height                                     | h1                    | 1990 mm                              |
| 4.5   | Mast extended height                                    | h4                    | 1990 mm                              |
| 4.19  | Overall length  | l1                    | 1330 mm                              |
| 4.20  | Length to face of forks                                 | 12                    | 570 mm                               |
| 4.21  | Overall width   | b1                    | 710 mm                               |
| 4.25  | Fork spread   | b5                    | 520 mm                               |
| 4.32  | Ground clearance at centre of wheelbase                 | m2                    | 25 mm                                |
|       | Performances  |                       |                                      |
| 5.2   | Lifting speed (laden / unladen)                         |                       | 0.07 m/s / 0.07 m/s                  |
| 5.3   | Lowering speed (laden / unladen)                        |                       | 0.10 m/s / 0.10 m/s                  |
| 5.11  | Parking brake   |                       | Mecanic                              |
|       | Engine  |                       |                                      |
| 6.4   | Battery voltage / capacity                              |                       | 12 V / 110 Ah                        |
| 7.2   | Power   |                       | 1.20 kW                              |
|       | Miscellaneous   |                       |                                      |
| 8.4   | Sound level at the driver's ear according to DIN 12 053 |                       | 65 dB                                |

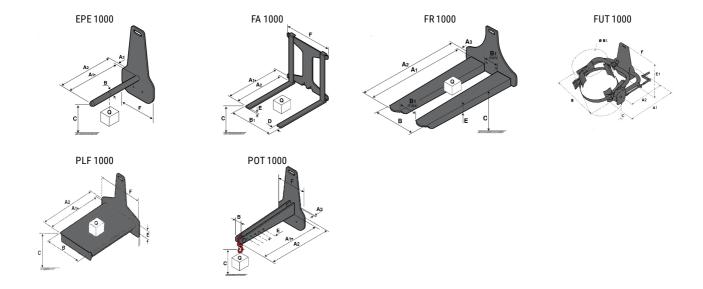

### Kleos EB 1000 S16 - Dimensional drawing
