

Ficha técnica :

# 1650RT

 **MANITOU**  
HANDLING YOUR WORLD

| Capacities                                |     | Métrico             |
|-------------------------------------------|-----|---------------------|
| Operating Weight                          |     | 3638 kg             |
| Unladen weight                            |     | 3638 kg             |
| Operating Capacity at 35% Tipping Load    |     | 748 kg              |
| Operating Capacity At 50% Tipping Load    |     | 1069 kg             |
| Tipping capacity                          |     | 2139 kg             |
| Weight and dimensions                     |     |                     |
| Overall Operating Height - Fully Raised   | h27 | 4008 mm             |
| Height to Hinge Pin – Fully Raised        | h28 | 3038 mm             |
| Dump reach - Full height                  | r6  | 641 mm              |
| Dump angle at full height                 | a5  | 39 °                |
| Dump Height - Fully Raised                | h29 | 2329 mm             |
| Maximum Rollback Angle - Fully Raised     | a4  | 98 °                |
| Overall Height to top of ROPS             | h17 | 1969 mm             |
| Overall length with bucket                | l16 | 3205 mm             |
| Overall Length without Bucket             | l1  | 2393 mm             |
| Specified Height                          | h31 | 1638 mm             |
| Reach at Specified Height                 | r4  | 559 mm              |
| Dump angle at specified height            | a17 | 73 °                |
| Maximum Rollback Angle at Ground          | a13 | 28 °                |
| Carry Position                            | d5  | 198 mm              |
| Maximum Rollback Angle at Carry Position  | a14 | 28 °                |
| Digging Position                          | h32 | 53 mm               |
| Angle of Departure with STD Counterweight |     | 28 °                |
| Ground clearance                          | m4  | 185 mm              |
| Track gauge                               | b10 | 1356 mm             |
| Track Shoe Width                          | b20 | 320 mm              |
| Crawler base                              | y2  | 1265 mm             |
| Overall width less bucket                 | b1  | 1676 mm             |
| Bucket Width                              | e1  | 1676 mm             |
| Clearance Radius - Front with Bucket      | b18 | 1979 mm             |
| Clearance Circle - Rear                   | wa1 | 1440 mm             |
| Maximum rollback at specified height      |     | 62 °                |
| Angle of Approach                         | a3  | 90 °                |
| Grouser Height                            |     | 25 mm               |
| Track Type / Track Rollers / Roller Type  |     | Rubber / 3 / Steel  |
| Perfomances                               |     |                     |
| Ground Speed - Single Speed               |     | 10.50 km/h          |
| Ground Speed - Two Speed                  |     | 16.10 km/h          |
| Drawbar Pull/Tractive Effort              |     | 4345 kg             |
| Bucket Breakout - Tilt Cylinder           |     | 1919 kg             |
| Bucket Breakout - Lift Cylinder           |     | 2295 kg             |
| Engine                                    |     |                     |
| Engine brand                              |     | Yanmar              |
| Engine model                              |     | 4TNV98C-NMS2        |
| Motor Type                                |     | Radial Piston       |
| Gross Power / Power                       |     | 51.70 kW @ 2500 rpm |
| Net Power / Power                         |     | 51 kW / 2500 rpm    |
| Max. torque                               |     | 241 Nm              |
| I.C. Engine power rating                  |     | 69.30 Hp            |
| Battery voltage                           |     | 12 V                |
| Cold Cranking Amps at Temperature (CCA)   |     | 950 A               |
| Alternator - Voltage / Ampere             |     | 12 V / 100 A        |
| Hydraulics                                |     |                     |
| Standard flow - Auxiliary hydraulics      |     | 71 l/min            |
| Tank capacities                           |     |                     |
| Oil Pan Capacity                          |     | 9 l                 |
| Hydraulic oil tank capacity               |     | 39 l                |
| Fuel tank                                 |     | 62.50 l             |
| Coolant system capacity                   |     | 12.90 l             |
| Displacement / Number of cylinders        |     | 3.30 l / 4          |
| Miscellaneous                             |     |                     |
| Ground Pressure                           |     | 0.45 bar            |

1650RT - Diagrama dimensional

Equipamiento

|                                                  |          |
|--------------------------------------------------|----------|
| Lifting function                                 |          |
| All-Tach® Attachment Mounting System             | Estándar |
| Auxiliary Hydraulics                             | Estándar |
| Electronic Attachment Control - 14-Pin Connector | Opcional |
| High-Flow Auxiliary Hydraulics                   | Opcional |
| IdealTrax™ Automatic Track Tensioning System     | Estándar |
| Power-A-Tach® Attachment Mounting System         | Opcional |
| Motorization/Power                               |          |
| Combination Radiator & Hydraulic Oil Cooler      | Estándar |
| Dual-Element Air Cleaner with Indicator          | Estándar |
| Engine Auto-Shutdown System                      | Estándar |
| Glowplugs Starts Assist                          | Estándar |
| Servo-Controlled Hydrostatic Drive               | Estándar |
| Two-Speed Hydrostatic Drive System               | Estándar |
| Operator station                                 |          |
| Air suspension seat                              | Opcional |
| Foot Throttle                                    | Estándar |
| Full-Suspension Seat                             | Estándar |
| Multi-Function Display Screen                    | Estándar |
| Pressurized Cab Enclosure with A/C               | Opcional |
| Rearview Camera                                  | Opcional |
| ROPS/FOPS Level II Overhead Guard                | Estándar |
| Sliding Side Windows                             | Estándar |
| Swing-out Cab Door                               | Estándar |
| Other options                                    |          |
| Selectable Self-Leveling Hydraulic Lift Action 4 | Opcional |
| Pneumatics                                       |          |
| Rubber Track Undercarriage System                | Estándar |
| Single Flange Front/Dual Flange Rear Idlers      | Estándar |
| Secondary functions                              |          |
| Counterweight                                    | Estándar |
| Dedicated Undercarriage                          | Estándar |
| Security                                         |          |
| Anti-Vandalism Lock Provisions                   | Estándar |
| Back-Up Alarm                                    | Opcional |
| Easy Manager                                     | Estándar |
| Engine Alert System with Error Display           | Estándar |
| Mechanical Lift Cylinder Lock                    | Estándar |
