## **MHT-X 12330**

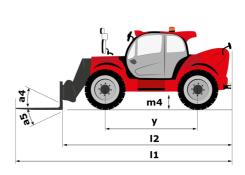

|   | MHT-X 12330 | Created on 20 May 2024 at 1.12.56 PM UT                   |
|---|-------------|---|
| Capacities                                  |             | Metric  |
| Max. capacity                               |             | 33000 kg  |
| Load center of gravity                      | С           | 1200 mm   |
| Max. lifting height                         |             | 11.92 m   |
| Max. outreach                               |             | 6.60 m  |
| Weight and dimensions                       |             |   |
| Overall length                              | 1           | 10.77 m   |
| Unladen weight (with forks)                 |             | 49000 kg  |
| Ground clearance                            | m4          | 0.59 m  |
| Wheelbase                                   | у           | 4.90 m  |
| Length to face of forks                     | 12          | 8.37 m  |
| Overall width                               | b1          | 2.98 m  |
| Overall height                              | h17         | 3.60 m  |
| Overall cab width                           | b4          | 0.97 m  |
| Tilt-down angle                             | a5          | 100 °   |
| Tilt-up angle                               | a4          | 10 °  |
| External turning radius (over tyres)        | Wa1         | 7.42 m  |
| Outer turning radius (with forks)           | b15         | 9.33 m  |
| Forks length / width / section              | l/e/s       | 2400 mm x 250 mm / 110 mm                                 |
| Frame leveling corrector                    | a9          | 6°  |
| Wheels                                      |             | U U   |
| Standard tires                              |             | 21.00 R35   |
| Number of front wheels / rear wheels        |             | 2/2   |
| Drive wheels (front / rear)                 |             | 2/2   |
| Steering mode                               |             | 2 wheel steer, 4 wheel steer, Crab mode                   |
| Engine                                      |             | z wheel steel, 4 wheel steel, clab hode                   |
|   |             | Deutz   |
| Engine brand                                |             |   |
| Engine norm                                 |             | Stage III / Tier 3  |
| Engine model                                |             | TCD 6.1 L6  |
| Number of cylinders / Capacity of cylinders |             | 6 - 6100 cm <sup>3</sup>                                  |
| I.C. Engine power rating / Power            |             | 245 Hp / 180 kW   |
| Max. torque / Engine rotation               |             | 1000 Nm@1450 rpm  |
| Engine cooling system                       |             | Water   |
| Number of batteries                         |             | 2   |
| Battery voltage                             |             | 12 V  |
| Drawbar pull                                |             | 28400 daN   |
| Transmission                                |             |   |
| Transmission type                           |             | Hydrostatic with Powershift                               |
| Number of gears (forward / reverse)         |             | 3/3   |
| Max. travel speed                           |             | 25 km/h   |
| Parking brake                               |             | Automatic negative parking brake                          |
| Service brake                               |             | Oil-immersed multi-discs braking on front & rear<br>axles |
| Hydraulics                                  |             |   |
| Hydraulic pump type                         |             | Variable displacement pump                                |
| Hydraulic flow - Pressure                   |             | 310 l/min - 350 bar                                       |
| Tank capacities                             |             |   |
| Engine oil                                  |             | 21  |
| Hydraulic oil                               |             | 570   |
| Fuel tank                                   |             | 600 I   |
| Noise and vibration                         |             |   |
| Noise at driving position (LpA)             |             | 80 dB   |
| Noise to environment (LwA)                  |             | 107 dB  |
| Vibration on hands/arms                     |             | < 2.50 m/s <sup>2</sup>                                   |
| Miscellaneous                               |             | 2.00 my 0   |
| Safety cab homologation                     |             | ROPS - FOPS level 2 cab                                   |
| Controls                                    |             | JSM   |
| Attachment recognition system (E-Reco)      |             | Standard  |
| Automicia recognition system (Eneco)        |             | Januaru   |

## MHT-X 12330 - Dimensional drawing

Head Office B.P. 249 - 430 rue de l'Aubinière 44150 Ancenis Cedex - France Tel: +33 (0)2 40 09 10 11 - Fax: +33 (0)2 40 09 10 97 www.manitou.com

This publication provides a description of the configuration versions and options for Manitou products, which may differ for equipment. The equipment presented in this brochure may be part of a series, as an option, or it may not be available, depending on the versions. Manitou reserves the right, at any time and without notice, to amend the specifications described and represented. The specifications provided do not bind the manufacturer. For more details, please contact your Manitou agent. This is not a contractually binding document. The presentation of the products is not contractually binding. List of specifications non-exhaustive. The logos as well as the visual identity of the company are owned by Manitou and cannot be used without authorisation. All rights reserved. The photos and diagrams contained in this brochure are only provided for consultation and information purposes.
