| Drive wheels (front / rear)                                       | 2/2  |                |
| Steering wheels (front / rear)                                    | 2/2  |                |
| Frame leveling corrector  | a9 7°                                      |                |
| Performances  |  |                |
| Lifting   | 6.60 s                                     |                |
| Lowering  | 4.70 s                                     |                |
| Extension   | 9.50 s                                     |                |
| Retraction  | 6.90 s                                     |                |
| Crowd   | 3.70 s                                     |                |
| Dump  | 2.80 s                                     |                |
| Engine  |  |                |
| Engine brand  | Yanmar                                     |                |
| Engine norm   | Stage IIIA                                 |                |
| Max. fuel sulphur content   | 1000 ppm                                   |                |
| Engine model  | 4TN107HT-5SMUF                             |                |
| Number of cylinders - Capacity of cylinders                       | 4 - 4567 cm³                               |                |
| I.C. Engine power rating / Power                                  | 141 Hp / 105 kW                            |                |
| Max. torque / Engine rotation                                     | 602 Nm @1500 rpm                           |                |
| Drawbar pull (Laden)  | 9130 daN                                   |                |
| Reversible fan  | Standard                                   |                |
| Engine cooling system   | 4 radiators (water + intercooler + h       | ydraulic oil + |
|   | transmission oil)                          |                |
| Transmission  |  |                |
| Fransmission type   | Torque converter with powershi             | rt gearbox     |
| Gearbox   | M-Shift                                    |                |
| Number of gears (forward / reverse)                               | 5/3  |                |
| Max. travel speed (may vary according to applicable regulations)  | 40 km/h                                    |                |
| Differential lock   | Limited slip differential on front a       |                |
| Parking brake   | Automatic negative parking                 |                |
| Service brake   | Oil-immersed multi-discs braking o         | on front & rea |
|   | axles                                      |                |
| Hydraulics  | W-2-11, P 1                                |                |
| Hydraulic pump type   | Variable displacement pu                   | duit           |
| Hydraulic flow - Pressure   | 200 l/min - 270 bar                        |                |
| Flow sharing distributor  | Standard                                   |                |
| Tank capacities   |  |                |
| Hydraulic tank capacity   | 141  |                |
| Fuel tank   | 142 I                                      |                |
| Noise and vibration   |  |                |
| Noise at driving position (LpA) tested following NF EN 12053 norm | 69 dB                                      |                |
| Noise to environment (LwA)  | 105 dB                                     |                |
| Vibration on hands/arms   | < 2.50 m/s <sup>2</sup>                    |                |
| Miscellaneous   |  |                |
| Tractor homologation  | Tractor homologation                       |                |
| Cab certification   | Cabin ROPS - FOPS leve                     |                |
|   |  |                |
